Arunachala College of Engineering for Women, Kanyakumari, Tamil Nadu

B.Tech – Information Technology | Arunachala College of Engineering for Women | 2023 – 2027

CGPA: 8.55/10

London Missionary Higher Secondary School for Girls, Kanyakumari, Tamil Nadu |2022-2023

Higher Secondary Education(HSC)

Percentage : 82%

PROJECTS

Eventra – Event Booking Website | HTML, CSS, JavaScript, Git, GitHub

Developed a responsive event booking website with event exploration, event details, ticket selection,

price calculation, and booking flow.

Implemented interactive event-details functionality using JavaScript, including ticket quantity controls and dynamic total calculation.

Collaborated with team members using GitHub for branch management, commits, code integration, and pull requests.

Greendan – Plant and Flower E-Commerce Website | Tailwind CSS

Developed a multi-page e-commerce website featuring product cards, navigation, search functionality, and responsive layouts using Tailwind CSS.

Personal Portfolio – Portfolio Website | HTML, CSS, JavaScript

Developed a responsive portfolio website to showcase technical skills, projects, education, and professional information.

TaskDesk – Full-Stack Task Management Application |React.js ,Node.js , Express.js , MongoDB , REST API , JWT Authentication , Google OAuth 2.0

- Developed a responsive task management application using **React.js, Node.js, Express.js, and MongoDB**, implementing REST APIs and complete task CRUD functionality with protected user-specific tasks.
- Integrated **JWT authentication and Google OAuth 2.0** for secure login, along with task image uploads and deployment using **Render and Netlify**.

CERTIFICATIONS

NPTEL – Introduction to Internet of Things (IoT)

Infosys – CI/CD (DevOps Basics)

HDCPA – Fundamentals of Programming and Office Tools (Python, C, SQL, HTML, CSS, MS Office)
